About Trevi Group:

Trevi Group is a worldwide leader in the field of soil engineering (special foundations, soil consolidation, recovery of polluted sites), in the design and marketing of specialized technologies in the sector.

Born in Cesena in 1957, the Group has about 65 companies and is present in 90 countries with its dealers and distributors. Among the reasons for the success of the Trevi Group are the internationalisation, integration and continuous interchange between the two divisions: Trevi, which carries out special foundation and soil consolidation works for large infrastructure projects (subways, dams, ports and docks, bridges, railway and freeway lines, industrial and civil buildings) and Soilmec, which designs, manufactures and markets machinery, plants and services for the foundation engineering.

The parent company Trevi-Finanziaria Industriale S.p.A. has been listed on the Milan stock exchange since July 1999. Trevifin is listed on Euronext Milan: TFIN.
