About the Trevi Group:

The Trevi Group is a global leader in 360-degree subsurface engineering (special foundations, soil consolidation, and contaminated site remediation), as well as in the design and marketing of specialized technologies for the sector.

Founded in Cesena in 1957, the Group comprises approximately 60 companies and, through its dealers and distributors, operates in 90 countries. Among the reasons for the Trevi Group’s success are its international reach, integration, and the continuous exchange between its two divisions: Trevi, which carries out special foundation and soil consolidation works for major infrastructure projects (subways, dams, ports and docks, bridges, rail and highway lines, and industrial and civil buildings), and Soilmec, which designs, manufactures, and markets machinery, equipment, and services for subsurface engineering.

The parent company, Trevi Finanziaria Industriale S.p.A., has been listed on the Milan Stock Exchange since July 1999. TreviFin is listed on Euronext Milan under the ticker: TFIN.
