The main changes in **the Company** Net Financial Position as at end of September 2023, compared to end of June 2023, are due to:

- The partial conversion of the financial credit towards the subsidiary Soilmec Spa for Euro 19 million as per reserve for future capital increase; this transaction has no effect on the **Trevi Group** Consolidated Net Financial Position.

The Net Financial Position of the financial statements of the Company at June 30th, 2023 and September 30th, 2023 includes the partial write-down of intercompany financial receivables; this effect does not generate any impact in the **Trevi Group** Consolidated Net Financial Position.

Trevi Group Net Financial Position at September 30th, 2023 amounts to Euro 199.7 million.
